

TERMS OF USE

Effective Date: 30 August 2026

These Terms of Use ("Terms") govern access to and use of **Quantumезon.com** and related websites, digital platforms, content, tools, services and communications operated by **Quantumезon Global Pvt. Ltd.** ("Quantumезon", "Company", "we", "us" or "our"). By accessing, browsing or using the website, you acknowledge that you have read, understood and agreed to these Terms. If you do not agree, please discontinue use of the website.

1. Purpose and Scope

Quantumезon.com provides information relating to our business activities, research and development, emerging technologies, quantum computing, artificial intelligence, deep-tech innovation, consulting, training, events, forums, strategic collaborations, products, services and related initiatives. Website content is provided for general informational and business purposes and may be changed or withdrawn without notice.

2. Eligibility and Acceptable Use

You agree to use the website lawfully, responsibly and only for legitimate purposes. You must not use the website in any manner that may damage, disable, overburden or impair its operation or interfere with another person's access.

- Attempt to gain unauthorised access to any system, account, database or network;
- Introduce malicious code, viruses, harmful files or disruptive mechanisms;
- Use automated means to scrape, copy, harvest or systematically extract website data without written permission;
- Impersonate Quantumезon, its personnel, partners or any other person or organisation;
- Use website content for unlawful, deceptive, defamatory, infringing or fraudulent purposes.

3. Intellectual Property

Unless otherwise stated, the website, its design, layout, text, graphics, logos, names, trademarks, service marks, software, documentation, original content, research materials and other intellectual property are owned by or licensed to Quantumезon Global Pvt. Ltd. and are protected by applicable intellectual-property laws.

No material may be copied, reproduced, modified, distributed, published, transmitted, sold, licensed, reverse engineered or commercially exploited without prior written permission, except where permitted by applicable law. Limited personal or internal reference use does not transfer ownership or intellectual-property rights.

4. Proprietary Technology, R&D; and Innovation

References to technologies, prototypes, algorithms, APIs, SDKs, quantum-computing concepts, AI platforms, research programmes, product concepts or future developments may represent ongoing or exploratory R&D; and do not necessarily constitute a commercial offer, technical guarantee or commitment to release a particular product.

Website publication of an idea, concept, technical description or innovation does not grant any licence or right to use, reproduce, commercialise or claim ownership of Quantumезon's proprietary intellectual property.

5. Accuracy and Availability of Information

QuantumEZON endeavours to keep website information accurate and current; however, we do not warrant that all information is complete, error-free, current or suitable for every purpose. Technical specifications, product descriptions, service offerings, timelines, availability and other information may change as our R&D; and business activities evolve.

The website and its content may occasionally be unavailable, interrupted or subject to technical limitations. QuantumEZON does not guarantee uninterrupted, secure or error-free operation.

6. No Professional or Investment Advice

Information published on QuantumEZON.com is not, by itself, legal, financial, investment, tax, medical, engineering or other professional advice. Visitors should obtain appropriate professional advice before making decisions based on website information. Nothing on the website constitutes an offer, solicitation or guarantee of investment, funding, employment, partnership or commercial success unless expressly stated in a separate written agreement.

7. Third-Party Links, Services and Content

The website may contain links, references or integrations to third-party websites, platforms, tools or services. Such links are provided for convenience and do not constitute endorsement or guarantee by QuantumEZON. Third-party services are subject to their own terms and privacy policies, and QuantumEZON is not responsible for their content, availability, security or practices.

8. User Submissions and Communications

Where the website permits you to submit enquiries, proposals, ideas, feedback, applications, collaboration requests or other materials, you represent that you have the right to submit such material and that it does not knowingly infringe another party's rights or violate applicable law.

Unless expressly agreed otherwise in writing, routine feedback or general website communications may be used by QuantumEZON to respond to enquiries, improve services and conduct legitimate business activities. Confidential, proprietary or patent-sensitive information should not be submitted through an open website form unless an appropriate confidentiality arrangement is already in place.

9. Business Relationships and Separate Agreements

Website content does not by itself create a partnership, joint venture, agency, employment relationship, franchise, fiduciary relationship or other legally binding commercial relationship between you and QuantumEZON. Specific consulting engagements, R&D; collaborations, training arrangements, licensing, sponsorships, MoUs, NDAs, investment arrangements or other transactions will be governed by separate written agreements where applicable.

10. Privacy

Personal information submitted through the website is handled in accordance with QuantumEZON's Privacy Policy, as published on the website. By using the website and submitting information, you acknowledge that such information may be processed for legitimate business, service, security and legal purposes as described in the applicable Privacy Policy.

11. Disclaimer of Warranties

To the maximum extent permitted by applicable law, the website and its content are provided on an "as is" and "as available" basis. QuantumEZON disclaims warranties, express or implied, regarding accuracy, availability, fitness for a particular purpose, non-infringement, security or uninterrupted operation, except where such exclusion is not permitted by law.

12. Limitation of Liability

To the maximum extent permitted by applicable law, Quantumazon Global Pvt. Ltd., its directors, officers, employees, consultants, affiliates, contractors and authorised representatives shall not be liable for indirect, incidental, consequential, special or punitive losses arising from or relating to use of, or inability to use, the website or reliance upon its content.

Nothing in these Terms excludes or limits liability that cannot lawfully be excluded or limited under applicable law.

13. Indemnification

You agree, to the extent permitted by law, to indemnify and hold harmless Quantumazon Global Pvt. Ltd. and its directors, officers, employees, consultants and representatives from claims, losses, liabilities, damages, costs and reasonable expenses arising from your unlawful use of the website, violation of these Terms, infringement of third-party rights, or misuse of website content.

14. Confidentiality and Intellectual Property Protection

The website is not intended to replace formal confidentiality arrangements. If you are invited to participate in a confidential R&D, commercial or technology engagement, confidentiality and intellectual-property obligations may be established through an NDA, MoU, contract or other written instrument. In the event of conflict, the specific written agreement will govern the relevant subject matter.

15. Modifications to the Website and Terms

Quantumazon may modify, suspend, discontinue or update any part of the website, services or content at any time. We may also revise these Terms from time to time. The revised Terms will become effective when published on the website, unless a different effective date is stated. Continued use after publication constitutes acceptance of the revised Terms, subject to applicable law.

16. Governing Law and Jurisdiction

These Terms shall be governed by and interpreted in accordance with the laws of India, without prejudice to applicable statutory rights. Subject to mandatory provisions of law and any specific contractual dispute-resolution clause, courts having appropriate jurisdiction in India shall have jurisdiction over disputes arising from or relating to these Terms or use of the website.

17. Severability and Waiver

If any provision of these Terms is held invalid, unlawful or unenforceable, the remaining provisions will continue to the extent permitted by law. Failure by Quantumazon to enforce a provision on any occasion shall not constitute a waiver of its right to enforce that provision in the future.
